

General Introduction of UIBE Non-degree Programs

UIBE has a well-established curriculum system of non-degree education for international students, which can meet various learning needs including elementary Chinese language learning, accelerated and intensive Chinese language learning, business Chinese language learning, economic and cultural courses study, foundation course learning for Chinese bachelor program, short-term visiting programs etc. In March 2015, UIBE was approved by the Ministry of Education as the tenth university to accommodate students of foundation courses with Chinese government scholarship. Since 2016, the pass rate of this program has been 100% for four consecutive years, ranking first in China. Non-degree programs have already become the gold brand of UIBE international education.

Non-Degree Programs

Elementary Chinese and Intensive Chinese Program

The aim of these courses is to improve students' Chinese proficiency in their listening, speaking, reading and writing skills in a short period. Elementary Chinese courses are offered 20 hours/week, while Intensive Chinese courses are offered 34 hours/week. All programs are offered 16 weeks/ semester.

Business Chinese Program

Business Chinese is suitable for students who have certain Chinese study backgrounds, and who are interested in business knowledge and Chinese business hot topics. It is the integration of knowledge, practicability and communication.

Chinese Business and Culture Study Program

Chinese Business and Culture Study Program which can be taught in both Chinese and English language, systematically offers theories and cases about China's economy, trade, finance, law, society and culture. It aims to help students of high proficiency in Chinese to acquire the latest and the most comprehensive knowledge of related fields in a short period.

Foundation Course for Chinese Bachelor Program

UIBE offers preparation course for Chinese bachelor's program through one academic year or only one spring semester's full time study. This program will prepare students with the necessary knowledge of Chinese, math and Chinese culture for the entry of UIBE Bachelor's programs offered in Chinese.

3A Speed-up Program

'3A', which means Anybody, Anytime, and Any topic, is a language training program offered by UIBE for international students with the demand for Chinese learning . The minimum study period is 4 weeks. The program will open after 3 students have applied.

Short-term Visiting Program

The curriculum and schedule can be designed for visiting group. UIBE provides language classes and economic and trade lectures for foreign employees, diplomats, and students from oversea educational institutions. Tuition fee will be decided through negotiation between the two parties.
